Joyful Celebration 2010 – Christmas with the York's Gospel Choir

York City Gospel Choir – Following last year's successful event, the York City Gospel Choir will be in concert for a second 'Joyful Celebration' concert at the Manor School in York on Sat 4th Dec. This year's concert will include several brand new songs, including excerpts from 'Handel's Soulful Messiah', a special performance by the YCGC Kids and popular Christmas carols for all to sing. The choir will also be launching their second album, 'Thank You'.

York City Gospel Choir is a 40-strong community choir founded in May 2007 by Musical Director, Kofi Mensah and Heather Mensah to celebrate the powerful and inspirational tradition of gospel music. The choir has developed a growing reputation as one of the foremost choirs in the region. In October this year, the choir supported the Pearl of Africa Children's Choir in a special concert at the Grand Opera House.

Musical Director, Kofi Mensah says..."this concert will inspire and uplift, as well as being a great way to get into the Christmas spirit!. We are also very excited about the launch of our second album".
